DETAILED ACTION

Response to Arguments

1. Applicant's arguments with respect to claims 1-7 filed 12/27/2005 have been fully considered and they are persuasive. The examiner further noted that the applicant provides a replacement sheet with a corrected Fig.1 in response to the drawing objection stated in last office action.

Examiner's Statement of Reasons for Allowance

1. Claims 1-7 are allowable over the prior of records.
2. The following is an Examiner's statement of reasons for the indication of allowable subject matter: Regarding claim1, the allowability, at least in part, resides in a processing machine, fails to teach in part a convert unit including gate-turnoff power semiconductors to supply power to the spindle motor.
3. Claims 2-7 are allowed for the same reasons above.
